Arts for All Kentucky!! (Formerly VSA Kentucky)

New name, same great programs!

With gratitude for our history and 32 years of excellent program growth in Kentucky; we found ourselves in need of a change. We want to be clear about who we are and what we bring to the children and adults with disabilities who want to be fully included in the arts.

[Arts for All Kentucky](#) will continue to bring outstanding Teaching Artists into schools across the Commonwealth through our Arts Inclusion Program.

[Arts for All Kentucky](#) will continue and expand the Side-by-Side program into communities that desire in-depth exploration of a variety of visual art mediums.

[Arts for All Kentucky](#) will continue to advocate for inclusive arts, provide professional development, provide stunning exhibits, and collaborate with like-minded individuals and organizations.

We look forward to a fresh start and continued excellence!

Arts for All Kentucky will be presenting PD sessions on Sunday, Nov. 24th and exhibiting at the 2019 KYCEC conference in Louisville, KY from Nov. 24th-25th. Register [HERE](#) to join us and other educators in the field. This is a time to expand your vision and skills with peers in exceptional education.

New to the Board of Directors!

Delaire Rowe presents Preetesh Patel the 2019 VSA Kentucky Partnership Award and welcomes him to the Board of Directors. Mr. Patel is the owner of Hotel Sync in Bowling Green.

Student Joanna enjoys creating this bright landscape as part of the Paint Along workshops made possible by the Community Foundation and Lifeskills Industries. These classes developed awareness of the elements of art such as: line, color, shape, and space. We look forward to a new exhibit featuring works from various adult artists.
