High School Transition Program

Arts for All Kentucky is taking requests for our **2024 High School Transition program**. We come to your classroom to share information about Arts for All Kentucky opportunities for adults with disabilities. Our resources include the Artist Registry, an online directory of adult artist with disabilities living in Kentucky, the annual Ron Billings Award for Professional Development, exhibition opportunities and more. During our presentation we will share video interviews with some of the artists on the Registry, and do a paint-along session with your students.

It's fun and informative!

Let us bring our transition program to your school or transition fair.
